

## TVS - TwistLock Vehicle Stabilizer

The 'ALL IN ONE' Vehicle Stabilizer!  
Stronger, Faster, Safer! No Assembly Required!

When you need to stabilize a vehicle accident scene quickly, there is nothing faster or stronger. With the TwistLock Collar all you need to do is TWIST, EXTEND, LOCK and the TVS can stabilize 10,000 lb / 4,535.9 kg with a 2:1 safety factor at ANY height. NO LOAD CHARTS NEEDED.
