## DeWalt 9" Cut-Off Saw Kit

Version 2

FLEXVOLT 60V MAX, 9 inch Cut-Off Saw Kit makes fast, efficient cuts and scores in concrete and metal up to 3-1/4 inches deep in a single pass. A beltless all-metal drivetrain makes this saw durable and efficient. The enlarged latched and sealed battery box provides additional protection from harsh jobsite conditions while having room to accommodate the latest 15Ah batteries (sold separately). The dual-sided water feed system offers OSHA Table 1 Compliant solution for dust management when cutting concrete and masonry materials. Featuring a front handle that can be held in 3 positions, and a 5 positions rotating blade guard for better visibility and accessibility when cutting in tight spaces.
