FL-ARE

FirstLook Acoustic Reconnaissance

A groundbreaking new feature integrated into the FIRSTLOOK360 mobile app that transforms the built-in microphones of the FL360 LR and FL360 IR-C cameras into a powerful acoustic search tool, enhancing the ability of rescue teams to detect and locate survivors.

FL360 REACH

Wireless Range Extender

A rugged, IP67-rated wireless range extender that expands FL360 LR and IR-C cameras connectivity up to 120 metres (400 feet), offering flexible wireless, wired, and hybrid operation in challenging rescue environments.
