

# K12FD9 BATTERY SAW

## **TEAM - Fire Department K12FD9 Battery Powered Saw**

### **TEAM Equipment Fire Department 9 inch Battery Powered K12 Rotary Saw powered by Husqvarna.**

The K12FD9 gives you a unique combination of high efficiency and clean operation in a compact, powerful machine. Reduced overall cost of ownership with this high-performance battery machine compared to an equivalent gas-powered rescue saw. The K12FD9 eliminates direct emissions, operates quieter with lower vibrations with minimized maintenance and best of all, it never needs gas. Without the worry of bad fuel or dirt ingestion causing carburetor or engine repairs, the K12FD9 will give you years of dependable service.

#### **FEATURES:**

##### **Battery Operation - Gas Performance**

The 40/36V Li-ion battery pack provides equally high power, reliable operation and longevity as a gas powered product without any direct emissions, no fuel to go bad, spark plugs to foul and so on.

##### **Highly Visible**

Reflective fire department lettering for easier visibility.

##### **Smart Battery Placement**

The side-fed battery placement maximizes cooling and minimizes slurry and dust contamination.

##### **Efficient Brushless Motor**

Husqvarna powered, in-house developed, advanced brushless motor is 25% more efficient than a standard brush motor providing consistent high torque.

##### **Intuitive Keypad**

The keypad is very easy to operate with gloved hands.

##### **Low Maintenance**

No fuel refilling costs, less parts to service and an electronically controlled drive system means less downtime and low operation costs.

##### **SavE™**

Choose between normal or SavE™ mode for maximum power or maximum runtime.

##### **Electronic Blade Brake**

For increased safety and ease of use, the blade will stop its rotation from full throttle to zero in 3.1 seconds.

##### **Perfect Balance**

The centered placement of the blade provides increased stability and control.

##### **Ergonomic Handles**

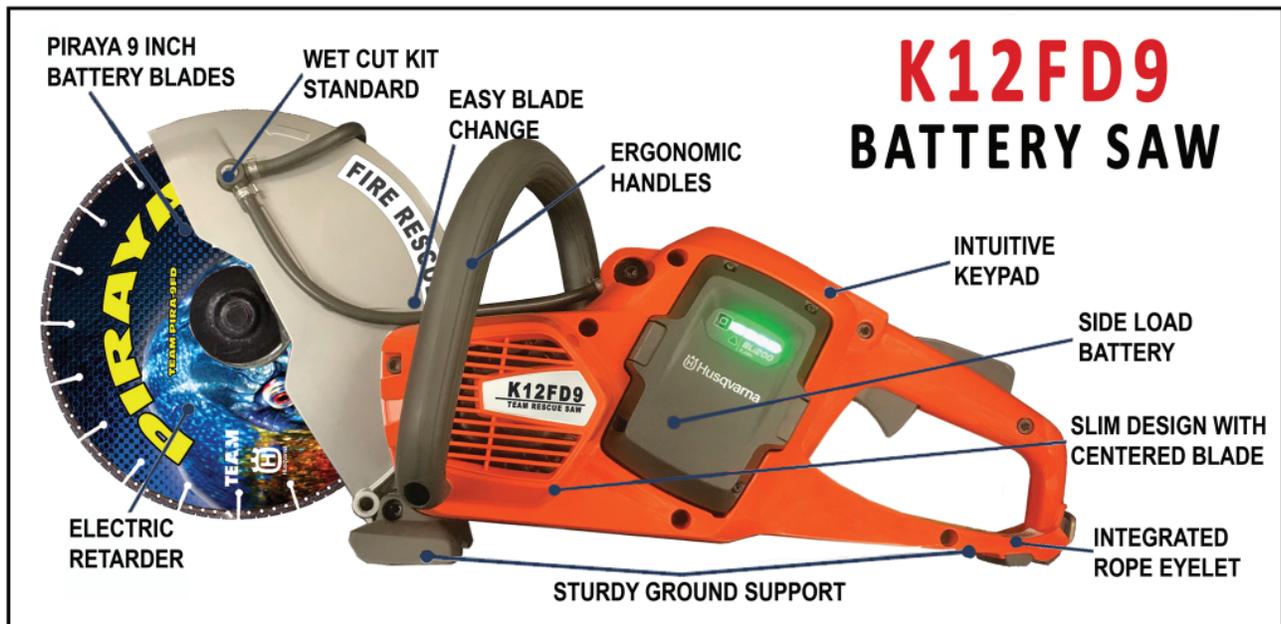

The handles are specially developed to be comfortable and increases control for extra safety while cutting.

##### **Rope Eyelet**

A foldable rope eyelet integrated into the ground support for added convenience.

##### **One Battery Fits All**

The battery pack is designed for demanding, long lasting professional use on products within the Husqvarna Battery Series line-up. This allows you to quickly switch batteries between the BatShark Chainsaw and K12FD9 rotary saw and keep working.

# K12FD9 BATTERY SAW

## Features:

- Fire department reflective labels.
- Smart battery placement keeps saw running better.
- Operated using an intuitive push button keypad.
- Extremely easy to start and stop.
- Eyelet for connecting equipment carabiner or rope.
- Lightweight and ergonomically balanced.
- Electronic blade break.
- Zero emissions, 40/36-volt Li-Ion battery performance.
- Low vibration - Low noise.
- Ergonomic handles for better grip and natural working position.
- Smooth speed transition.

## Specifications:

- Runs on 40/36-volt Li-Ion battery
- Brushless Motor (35cc, 1.6hp equivalent)
- Cutting Depth Max 3 inch
- Blade Diameter Max 9 inch
- Arbor Diameter 0.87 inch
- Blade Thickness Max 0.12 inch
- Peripheral Speed Max 13,800 fpm
- Dimensions 22 inch x 8.66 inch x 12.2 inch tall
- Weight (excl. battery and cutting equipment) 7.7 lbs.
- Sound power level, at operators ear - 100.5dB(A)
- Vibration level left/front handle - 2.1 m/s<sup>2</sup>
- Vibration level rear handle - 2.5 m/s<sup>2</sup>

## 9 Inch Battery Saw #K12FD9 Includes:

Battery powered 9 inch rotary saw, reflective fire department labeling, rear eyelet, srench tool with holder.

\*\* Battery and charger sold separately or in bundles below.

**BDL Bundles Include:** Battery charger, two batteries, 1 Piraya Diamond blade.

**#K12FD9** Battery Power Saw Only, 40/36V, 9" blade guard (No Blade, No Battery)

**#K12FD9-22BDL** K12FD9 Saw Bundle: Contains One K12FD9 Saw, One QC330 Quick Charger, Two BLi 200 Batteries (5Ah 40/36V), One PIRA-9FD Multipurpose Diamond Blade.

**#K12FD9-23BDL** K12FD9 Saw Bundle: Contains One K12FD9 Saw, One QC330 Quick Charger, Two BLi 300 Batteries (9.4Ah 40/36V), One PIRA-9FD Multipurpose Diamond Blade.
